

WHERE SUPREME™ PERFORMANCE MEETS NEXT LEVEL PROTECTION.

Are you ready for ILSAC GF-7? With Petro-Canada Lubricants' SUPREME line of motor oils, you'll benefit from oils meeting the latest industry specifications and offering the protection you need across a wide range of engine types.

ILSAC GF-7 will build upon the benefits already offered by GF-6. As passenger vehicles evolve, the need to lower emissions and improve fuel efficiency increases. ILSAC GF-7 is the new specification to meet, and Petro-Canada Lubricants have their sights firmly fixed on the future with the SUPREME line of motor oils.

SUPREME BENEFITS FROM GF-7 OILS IN COMPARISON TO PREVIOUS GF-6 REQUIREMENTS:

-  **IMPROVED PERFORMANCE**
-  **ENHANCED TIMING CHAIN WEAR PROTECTION**
-  **REDUCED PISTON DEPOSITS**
-  **BETTER FUEL ECONOMY**
-  **INCREASED SEAL COMPATIBILITY**
-  **PROTECTION FOR HYBRID ENGINES**
-  **HEIGHTENED PROTECTION AGAINST LOW-SPEED PRE-IGNITION (LSPi)**
-  **GREATER OXIDATION CONTROL**

KEY POINTS TO PREPARE YOU FOR THE TRANSITION:

GF-7 SUPREME motor oils will start to become available as of March 31, 2025.

During the transition period, GF-6 products will continue to be valid for a period of one year, until March 31, 2026.

GF-7 SUPREME motor oils will be fully back-serviceable to GF-6 products.

Petro-Canada Lubricants will introduce a new look & feel for SUPREME motor oils meeting the next level specification - stay tuned!
