

COMPLIANCE & SAFETY COMMITMENT

At Petro-Canada Lubricants, an HF Sinclair brand, compliance and safety are our top priorities. We participate in the following supplier certification programs, providing full transparency into our sustainability practices. Our commitment to continuous improvement and our cultural values is embedded in our operations and drives our sustainability practices.

We've received third-party ratings in a variety of categories related to complete lifecycle compliance and continuous improvement strategies. We take a leadership position around:

- Safety
- Insurance
- Environmental & Regulatory Compliance
- Continuous Improvement
- Supply Chain
- Labor & Human Rights
- Ethics
- Sustainable Procurement
- Training

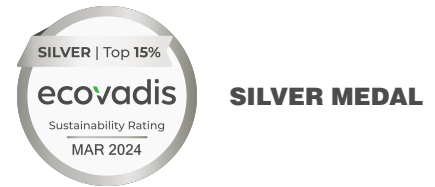

Petro-Canada Lubricants strives to be a preferred partner to leading companies who share our commitment to sustainability and continuous improvement.
